Usage Terms and Conditions

By accessing or using this dataset, you agree to comply with the terms and conditions outlined below:

1. **Ownership:** The dataset is the intellectual property of Bobby K Bose and is licensed for use under the terms specified in this document.
2. **Permitted Use:**
This dataset is intended for **educational purposes** only. It may be used by researchers, students, and educational institutions to develop models, train algorithms, or conduct analysis related to **Eye Disease Detection**. The dataset **cannot** be used for any **commercial or non-educational purposes** without prior written consent from the owner.
3. **Distribution Restrictions:**
The dataset, including its content and any modified versions, **cannot be shared, sold, sublicensed, or distributed** to third parties without explicit permission from the licensee, Bobby K Bose. Unauthorised distribution of this dataset is strictly prohibited and will result in legal action.
4. **Liability and Warranties:**
The dataset is provided "as is," without any guarantees or warranties, either expressed or implied. The owner is not liable for any claims, damages, or losses resulting from the use of the dataset.
5. **Modification Rights:**
You may modify the dataset only for personal research or educational analysis.

However, any modified datasets are still subject to the terms of this licence agreement and **cannot be distributed** without permission.

6. **Attribution:**

Any research, paper, or project that uses this dataset must provide appropriate attribution to the licensee (Bobby K Bose) and the original source (AWS Data Exchange).

Prohibited Actions

- **Commercial Use:** Using the dataset for commercial purposes, including but not limited to selling products, is strictly prohibited.
- **Redistribution:** The dataset may not be copied or redistributed in any form without prior written approval from the owner.

Legal Actions

Failure to comply with the terms outlined in this licence will result in legal consequences. Any breach of this agreement will be subject to litigation under applicable copyright and intellectual property laws.
